As do most things, footprints change shape and image as our view of them changes. When we feel on top of the world, footprints are those impressions made by the steps that took us there. Tracing them reminds us that we made the right moves at the necessary times.

When we have been less successful, footprints are discouraging depressions—vivid reminders of our failures.

If we wander aimlessly, our footprints are neither impressive nor depressive. They mark no achievements and record no losses.

Of course, if we stand still, we make no footprints.

But we are not standing still—we are steadily moving; and our footprints are recording the paths we choose. Some may be deep; others, less noticeable. But we are doubtlessly leaving impressions of some kind. Their role in shaping the future will depend on how carefully we are making them in the present.

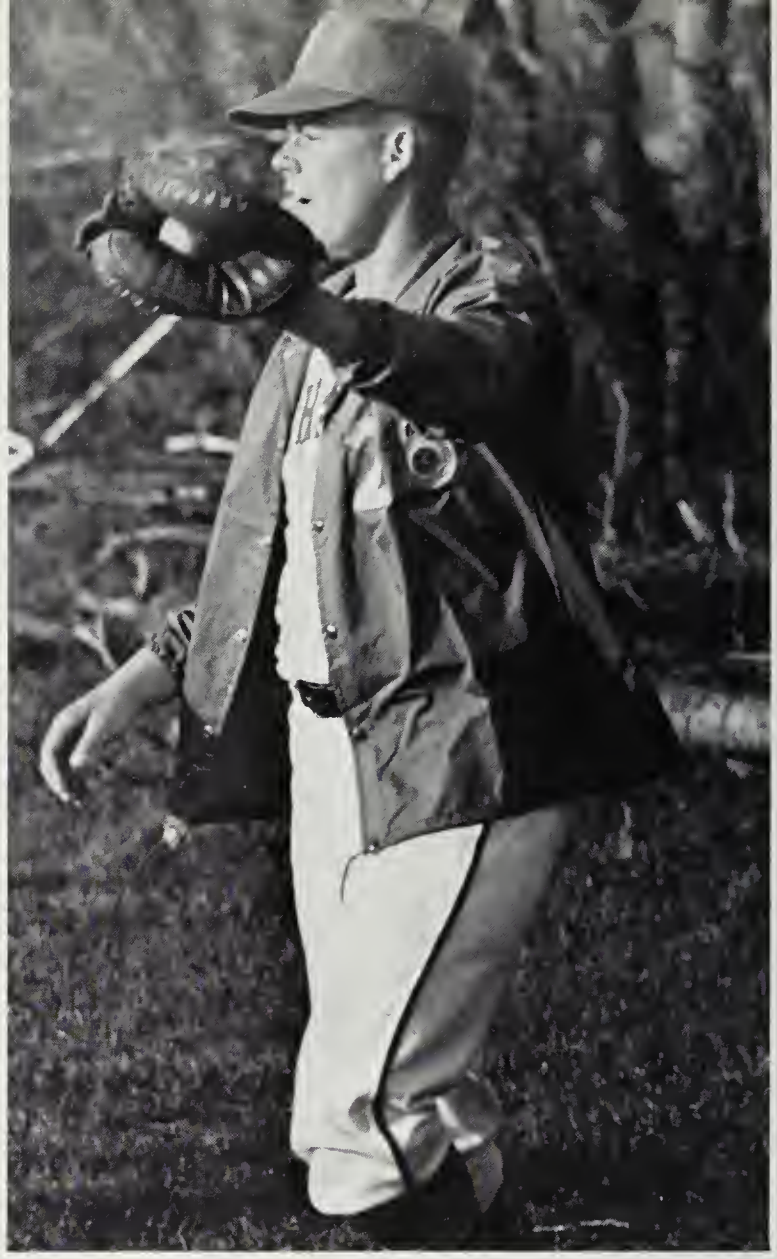
Jackets Boast 11-4 Record

Northampton's baseball team ended its most successful season in several years with an 11-4 overall record and a 7-4 conference tally. This was the best percentage of wins achieved by any Jacket varsity team in five years.

The squad boasted several offensive stand-outs —Kenny Collins, David Partin, Steve Lewis, and Lew Willis—who each hit better than .240. Three of these lettermen will be returning to the 1970 team.

Tony Partin headed the pitching staff, and back-up pitcher Norman Gladden recorded a 6-1 score. An infield comprised of nearly all underclassmen supported the pitchers by holding the opponents to a relatively small number of runs.

The softball team charted a 3-3 season record in its second year under Coach Mary Walker. The captain, Cynthia Mapp, led her teammates in hitting and did an outstanding job of fielding from her third base position.



Catcher George Colonna takes his turn at warming-up the pitchers before the game begins.

With Honors

Cross country and varsity track, under the direction of Coach Phil Newton, provided additional athletic events for students not already involved in football or baseball. Despite a rather poor record in district competition, the teams did do well locally and several boys established records in individual events.

N.H.S. Cheerleaders Spark Enthusiasm Among Students

The Varsity and J. V. Cheerleaders worked hard to increase school spirit and sportsmanship. Under the guidance of Mrs. Mary Walker and Mrs. Sharon Bull, the girls made signs for athletic events, led spectators in cheers, and carried out the annual Homecoming program and bonfire. The girls also assisted Pep Club members by teaching them school cheers and supervising their sign-making.

Beech Leads Scoring; Collins Sets New Rebound Record

The Jacket Varsity Basketball team recorded a poor district record but a fair overall total in the 17 season games. The team boasted only one win in the conference against seven losses.

Despite the poor record, four Seniors averaged double-figure totals for the season. Darrell Beech made 202 points for a 12.6 point-per-game average, the highest of the squad. Charles Ames led his teammates in field goal shooting with a 47% average.

Under the boards, Kenny Collins set a new school record by grabbing 164 rebounds in 17 games. Collins and Beech also led in assists with 18 each.

Football Team Makes '69 Winning Column

The 1969 Jacket Football squad, led by Head Coach Kenny Thomas and Assistant Coach E. M. James, recorded a winning season with a 6-4 won-loss tally overall. The team's district record was 3-4, with no losses among local schools.

Ronald Powell and Jack Womble called signals for Northampton. Powell rushed 555 yards for 7 touchdowns and threw 15 passes for 194 yards. Womble averaged 4.1 yards per carry rushing and threw 23 passes for 350 yards and 3 TDs.

Although the line had few boys of great height or weight, it held the opponents to little more than a 10-point per game average. For the first time in many years, two linemen, Alfred Nottingham and Tommy Palmer, were selected by the Exmore Rotary Club to dually receive the Most Valuable Player award.

J.V. Jackets On Top Again

The J.V. Basketball team tallied its best district record in better than four years with a 5-3 chart of conference games, 12-4 overall. The height of Steve Nottingham, combined with the experience of Hank Badger and J. C. Trower, was a major factor in the success of the team. This was the second consecutive winning season for Coach E. M. James.

Through the assistance of Coach James and Coach Joe Burnham, a Golf team was organized and several matches were played. The team made a number of trips to golf courses across the bay, and it also hosted matches at the Northampton Country Club in Cape Charles.

J.V. Teams Offer Younger Students Chance To Compete

The J.V. Track team sponsored an Eastern Shore J.V. Meet this year, in addition to participating in a number of other local meets up and down the Shore. Although the squad did not win many first-place awards, the competition did provide good experience in learning the fundamentals of track events.

The J.V. Football squad participated in only four games this season, but the team was victorious in each contest. For the first time, two home games were played under the lights, giving the boys additional experience in preparing for the Varsity squad.

TRACK—**Kneeling:** Greg Routzong, Bill Acworth, Greg Beckel, Hank Badger, Fred Lloyd, Calvin Riggin, Mike Spady, Anthony Ruffin, Kevin Smaw, manager. **Standing:** Andrew Stitt, manager; Johnny Rogers, Jack Holland, Ricky Kellam, Jimmy Engle, Glen Tittermary, Wayne Downing, James Elliott, Coach Phil Newton.

Rocket Club Launches Saturn

Rocket Club members successfully built and launched a Saturn IB rocket, better known as the "green phantom." In order to thoroughly learn the fundamental principles of rocketry, each member was also required by sponsor Philip Newton to make and launch his own rocket.

Ike,
Well, this year is just about over, I know you're going to miss the old 'Ken'!

Ike,
This year has been a drag but it's been swell having lunch with you. I think you eat our lunch. Let's do this summer and come see me. See ya Bayfield.

Love ya,
Pam

Ike,
It's a bellow about (beer drinks) etc, and days away from bad nights and maybe you'll have a better one. Maybe you'll have something next year, but let's not wait that long. Don't forget your dance cards.

like, been
It's interesting having
"interesting" English and
you in History. Hope you
have fun this summer.
I'll see you in the 10th

test, or not!). Good luck in the
future.

Love, ya,
Deborah

P.S. - Watch the bees! parties!
